LADIES AND GENTLEMEN!

Remember those good old circus days with the bands blaring and clowns cavorting? Remember how you skipped school to see the big show that had just come to town?

We offer you a big show within a school! No leaving the building or avoiding truant officers! Just turn the pages — or walk down the hall.

You'll get the same effect. We offer you Central—with its crowded halls, thrilling basketball games, glamorous girls, handsome football heroes! What more could you ask?

We present the *Magician* of '42!

Viva la Bly! Long live the queen of Central's stage — the creative impresario of our faculty! She's known to every student as both his friend and his adviser, and will long be remembered by seniors who have profited from her friendly and straightforward counsel. To express our appreciation, we, the staff, dedicate the *Magician* of '42 to Miss Eleanor Jean Bly.

ADMINISTRATION

Top row, left to right, Muncie City School Board: William T. Haymond, secretary; E. Arthur Ball, president; Joseph C. Davis, treasurer. H. B. Allman, superintendent of schools.

Bottom row: Grace Fern Mitchell, executive secretary to board and superintendent; T. B. Calvert, director of research and budgets; J. J. Friestroffer, coordinator in distributive occupations; and J. C. Jenkins, coordinator in trades and industry and principal of the trade school.

"We are preparing to serve!" This is the keynote of a new attitude which Central students have adopted since December 7. Knowing that they must meet the increasing demands of the war world they have welcomed many new opportunities for preparation.

Without organization and direction, however, many of our efforts would fail. The War Activities Council, formed to guide and concentrate our defense activities, is composed of the officers of the three classes and representatives from several school organizations. Under this direction we hope to make full use of all our opportunities to stand by the nation.

Of course, the men on the home lines are as essential as those on the front. Training must be given for defense occupations as well as for fighting. The trade school, which offers classes for twenty-two hours each day, and several hundred students who are preparing for "production to win the war." In addition to regular school activities the trade school presents "conversion classes" for the general public from four p. m. to six a. m.

Friendly cooperation with our neighbors will help to make our war effort successful. What is more important, it will play a vital part in "winning the peace." But before we can have complete cooperation, there must be understanding. Centralites are gaining understanding through a new course called "Our American Neighbors," in which the colorful and picturesque nations to the south are studied. (Continued on p. 12)

Another new course at Central which reflects the tempo of the times is the class in aeronautics. "Wings will win the war," it has been said. Central is doing her part by offering her pupils an opportunity to study the mechanism of the airplane and the effects of natural environment upon its use. In making model planes the pupils had practical experience.

"Speed" is the by-word of education as well as industry in times of war. In Central every possible method is being used to speed up the educational program, particularly for our engineering students. A student may leave school before the last semester, making up his last few credits at college, and still receive his diploma.

However, while the rest of us are preparing our country for war, Central is well represented by men in the service. A few members of the graduating class, as well as many alumni, have joined the army, navy, or marine corps. The faculty itself is represented in the army by Robert Colvin, who was a new addition to the business education department during the first part of this year.

But we remaining members of Central must be contented with doing our part in the equally important but less noticeable business of preparation, remembering the slogan: "Uncle Sam needs you—in school."

SENIOR OFFICERS

When the stars of our show entered the 'Big Top' three years ago they chose Bob Chalfant (right) as their class chairman. The next year Bob was re-elected president of his class along with (left to right) Harold Ball, vice-president; Joann Froyd, secretary; and Lavon Young, treasurer. Last year at senior election time, the seniors demonstrated their satisfaction with the previous direction of their class by electing the same officers to lead them through their senior year. Thus, both Bob Chalfant and President Roosevelt advanced to third term victories.

Because of his poise and sense of humor, Bob made an excellent master of ceremonies at all of the senior assembly programs and was equally well liked by the sponsors of the senior class, who worked with him and his classmates.

Each of the other officers had a year's experience to make him more valuable to his class, but of most importance to them was the aid of Miss Ella Hollenback and Mrs. Gladys Townsend, senior class sponsors, and George Taylor, class program chairman.

SENIOR ACTIVITIES

THE SENIOR COUNCIL is an organization for the purpose of helping to settle problems of the senior class. The council meets on call of the president, Bob Chalfant. Some of the main activities in which it has participated are: the planning of the senior group guidance program, the assessing of class dues, and the arranging of class social activities.

The council members were elected from senior social science classes. There were twenty regular members elected, and at present there are fifteen alternates. The alternates attend if their regulars are absent when a meeting is called.

The senior officers are: Bob Chalfant, president; Harold Ball, vice-president; Joann Froyd, secretary; Lavon Young, treasurer; George Taylor, social chairman.

Miss Ella Hollenback and Mrs. Gladys Townsend have proved more than capable as the social sponsor and senior adviser.

This year the senior class presented an old-fashioned melodrama, "Love Rides the Rails" or "Will the Mail Train Run Tonight" as the class play. Under the direction of Miss Horner, the play became one of the most successful and exciting events of the year.

JUNIOR ACTIVITIES

THE JUNIOR COUNCIL, executive and legislative body for the junior class, is comprised of the class officers and a representative for each twenty-five juniors. This group, representing all juniors, conducted all the business, appointed committees, approved the selection of the class officers, planned the year's activities, and aided in the planning of such activities as the Masquerade Ball, Krosstown Kapers, and the Junior-Senior Prom.

Miss Maude Michael is sponsor of the junior class and is assisted by Miss Esther Bartlett as social sponsor and Mr. Daily as financial sponsor.

The officers of the junior class are: president, Jim Covalt; vice-president, Charles Bebout; secretary, Marjorie Patterson; treasurer, Doris Condon.

The junior class, with its ever-present originality, gave two performances of its play, "One Wild Night," to throw the student body into a panic for the next few days. However, the play's hilarity overshadowed its mystery, making it a great success.

SOPHOMORE ACTIVITIES

The Sophomore Council and its sponsors, Miss Dorothy Krieger and Miss Kathleen Meehan, have not only carried on the business of the sophomore class, but have also provided for many fine assembly programs. Mario Peroni with his seeing dog, and the Reverend O. A. Brown, from China, were two of their outstanding speakers. The sophomores were also entertained at a talent show where members of their own class exhibited their various accomplishments, and defense stamps were given as prizes for the best talent displayed.

The Sophomore Council sponsored the sale of purple and white pencils earlier in the school year under the direction of Mr. Hartley.

MAGICIAN

The backers of our circus, the *Magician* staff, have co-operated in their respective departments in order to make this *Magician* a true reflection of Central life as it was in 1941-'42. The assistance of Leonard A. Paris, faculty sponsor, was invaluable to the *Magician* editors. Mrs. Bull was our efficient business sponsor, and Miss Ella Hollenback helped the picture editor with the senior pictures. Roger S. Lingeman was our able staff photographer

To present a full picture of life in Central is the aim of the *Munsonian*, Central's weekly newspaper. Under the sponsorship of Miss Kathleen Meehan, this paper is edited by students who have some newswriting experience behind them, and is distributed to pupils each Friday morning. Each year the *Munsonian* is represented at the Indiana High School Press Association and Journalism Field Day by several of its talented workers. Central is proud of the work the *Munsonian* staff is doing in presenting this fine paper.

STUDENT COUNCIL

"IN ORDER to provide for the students a voice in the school activities, to bring about a better understanding between the students and faculty, and to develop a spirit of co-operation and friendly relationship among students, this Student Council has been formed." This is the purpose of Central's Student Council.

The officers for the first semester were: president, Howard Shular; vice-president, Stew Neff; secretary-treasurer, Joann Froyd.

The officers for the second semester were: president, Stewart Neff; vice-president, Bob Chalfant; secretary-treasurer, Betty Puterbaugh. The sponsors are: Miss Ruth Anne Weser, Russell T. McNutt, and Edward Zetterberg.

Attending the state convention at Anderson this year, the members got an insight into what other councils over the state are doing.

The Student Council meets twice monthly, discussing problems about the school and solving them whenever possible.

HONOR SOCIETY

ONE of the most cherished goals of Cretan pupils is membership in the local chapter of the National Honor Society.

Since the membership is limited, those who expect to be eligible for membership must be outstanding in leadership, scholarship, character, service and loyalty.

This year's activities have included a party for honor sophomores, traditions, honor chapels, and the annual spring banquet. Appropriate to the present situation, the Society's project has recently been the collecting and saving of tin foil. The group also gave to the Muncie Red Cross Chapter.

The sponsors are Miss Elizabeth Hutzell and Mrs. Erma B. Christy. This year's officers are: president, Darrell Alexander; vice-president, George Taylor; secretary, Jane Bales; treasurer, Frances Jeanne Williams.

THE DAUBER CLUB, sponsored by Miss Flora Bilby, was founded in 1923 and is the oldest organization of its kind in the state. The club's officers are: president, John Wilson; vice-president, Ted Brehm; secretary, Phyllis Mills; and treasurer, Mary Charlton.

The purpose of the club is to benefit members who are students of Central, and to spread the beauty of art.

VERGIL CLUB

TO PROMOTE the permanency of Latin in an ever-changing world is one of the aims of the Vergil Club, the oldest organization at Central. Started in 1916 by Miss Emma Cammack, the club is now sponsored by Mrs. Esther K. Brown. The Roman Wedding was given at the annual formal banquet held in May. THE SECRETARIAL CLUB

TO PROMOTE business efficiency and to develop a spirit of friendly co-operation, the Secretarial Club was founded in 1938. Any student who is enrolled in an advanced shorthand class is privileged to become a member.

Among its activities the club makes a study of health, personal appearance, and business ethics. Alumnae members who are now employed in business offices and speakers from local business houses present interesting and informative talks to the members of the club. Several field trips are taken during the year by the members of the club to various local offices for observation and study. The training and valuable information that the members receive from this study will help to promote self improvement as well as proper procedure in a business office.

The officers of the club for 1942 are: Margaret Theodoras, president; Lucy Jane Simpson, vice-president; Ruby Livieratos, secretary; Violet Kelbel, treasurer; and Miss Lorene Turner, faculty sponsor.

SERVICE in time of need, interest in subjects related to mathematics, and opportunities for the meeting of congenial people are the main objectives of Central's very active Mathematics Club. During the past year, under the capable leadership of H. E. Fenimore, the sponsor, and the club president, Ernest McLain, numerous activities were successfully completed. Outstanding among these were the publication of a program book, the highly informative talks given by club members, a radio broadcast, and aid in defense activities.

PHYSICS CLUB

THE national situation at the present time has made the need for scientific thinking and training even more evident than before. Through its timely organization, the Physics Club hopes to contribute much to the future welfare of our community as well as that of our nation. Its general purpose—that of promoting interest in scientific topics—is accomplished both by group discussion and experiments and through individual research.

Talks and demonstrations which were given by members composed the programs of the regular meetings this year. Mr. Lingeman also presented a number of interesting and varied demonstrations.

For the first year, the officers of the organization were: Bud Trauring, president; Darrell Mier, vice-president; and Phyllis Peckinpaugh, secretary-treasurer. Mr. Lingeman, head of the physics department, sponsors the club.

THE GEOGRAPHY CLUB

THE GEOGRAPHY CLUB of Central High, which is sponsored by R. Lloyd Cooley, has a membership for the year 1941-42 of over 100 members.

The officers are: president, John Doman; secretary-treasurer, Olive Clark. Its meetings are held monthly at the discretion of the club president.

The club is very active in Central, sponsoring geographical pictures and speakers and other things of interest to the geography-minded student.

Each spring the club has a picnic at Memorial Park or at Pendleton. Also, it takes trips to Spring Mill Park and to the Bedford limestone quarry. The purpose of the club is to promote friendship and interest in geography.

SOCIAL SCIENCE CLUB

EVER SINCE its founding in 1935, the Social Science Club has offered opportunity for the enlightenment and voicing of opinions on state, national, and international problems. A program of speakers and informal discussions of world affairs, substantiated by two short talks on different phases of Indiana at each meeting, was conducted through the year. This was rounded out with initiations, a potluck, and a spring banquet.

The president of the club was Bob Terhune; Ruth Chin, vice-president; Mary Ellen Shockley, secretary; and Phyllis Curry, treasurer. Bill Sterrett, a member of the club, is vice-president of the Indiana Student Forum, a state organization of social studies groups of which Central is a member. Several members of the club attended the State Student Forum Convention at South Bend. The club is under the able sponsorship of Russell T. McNutt.

DRAMATIC CLUB

TO CELEBRATE its 25th Anniversary the Dramatic Club presented its annual production the successful professional stage play, "Stage Door." Ever since 1915 this organization has promoted interest in professional and amateur acting, and has also provided opportunities for self-expression.

The members of the Dramatic Club, with Mary Ellen Shockley as president, are shown above. The other picture is a scene from their successful production of "Stage Door." The unusually attractive stage set was designed and built by Griffin Stephenson's commercial design classes.

Among the main events of the year have been the two interesting and amusing tryouts, initiations, fall and Christmas parties, and a variety of interesting programs throughout the year.

RADIO

For the third consecutive year, "The Central Way" has been on the air over WIBC each Tuesday afternoon from 4:30 to 5:00. Over 200 students, alumni, faculty, and guests have participated this year in the programs, varying from Victory Gardens to dramatic programs presented by the radio class organized during the spring term.

These programs have acquainted the public with the many curricular and extra-curricular activities of the school. Also they give many students the chance for self-expression on the radio.

Above may be seen two scenes from regularly scheduled broadcasts which have been under the direction of Miss Jewel Standerford. The regular staff includes Bill Miller and Bob Terhune, announcers, Mary Louise Ehrlich, organist, and Adelia Gibbs, reporter.

THE LATIN-AMERICAN LEAGUE

To further our good neighbor policy and to promote better understanding of our American neighbors is the purpose of the Latin-American League, which was founded this year in Central High School by Miss Bartlett's first semester class in American Neighbors. Any student who is taking or has taken American Neighbors may join the Latin-American League.

The members of the League went as a group to hear the interesting talk given by Bertita Harding on the "South American Way"; and recently they invited Isabelle Fisk, of Cincinnati, to show her colored pictures of Mexico to a junior convocation program. One of the highlights of the year's program was the participation of the members in a colorful Latin-American scene in Musical Moods.

The executive body of the club was as follows: Phyllis Curry, president; Barbara Crum, secretary-treasurer; Mary Ellen Shockley, program chairman.

Joint meetings with Hi-Y clubs in surrounding cities, a father and son potluck, a Christmas party, a Good Friday breakfast, a trip to South Bend for the Southern California-Notre Dame football game, and a state convention attended by a busload of the members were other features of the year's itinerary.

There are two clubs at Central, the Senior Club and the Junior Club. George Taylor is president of the Senior Club, Bob Bartholomew, vice-president, Bob Terhune, treasurer, and Bob Russell, secretary. Ted Brehm is president of the Junior Club.

Both clubs are members of the International Hi-Y formed in 1889. The High School and the Y. M. C. A. cooperate "to create, maintain, and extend throughout the school and community high standards of Christian character." The clubs have been guided by the sponsor, Joe Douthitt.

CHOIR

CENTRAL may well be proud of her robed choir, which numbers one hundred and twenty-five. On
 many occasions their voices have blended to thrill the hearts of hundreds of Muncie music lovers.
 Under the direction of Glen Stepleton, this group has in its repertoire, in addition to secular and religious
 sheet music, several cantatas, most prominent of which are the "Messiah" and "Seven Last Words of
 Christ," presented at Christmas and Easter. Participants in such civic affairs as the Community Sing,
 this group is known for its fine concerts. The Central choir is a member of the Indiana State Choral
 Society; an honor, indeed, and well-deserved.

DANCE BAND AND MAJORETTES

Central's own Swing Band, instituted approximately six years ago, has won popular acclaim from playing at banquets, parties, and a series of school dances. The Dance Band was organized because the music faculty and students felt there was a distinct need for all kinds of music in the modern curriculum. This year's events were culminated with a trip in the spring.

Another relatively new organization is that of the Majorettes, a group of eight girls who add that certain sparkle and zest to the games. An inspiration to the school, this group is led in its performances by Vune Lamb. Officers of the Majorettes are: Blanche Davis, president; Marjorie Hobbs, vice president; Alice Shaner, secretary; Peggy Coates, sergeant-at-arms; and Vune Lamb, treasurer.

Violins: Fred Waltz, Joe Barnes, Doris Day, Martha Alvey, Glen Hartley, Lee Brown, Marvin Langley, Anna Jean Tyler, Elaine Bunker, Mary Jane Crump, Betty Thomas, Charles Collins, Barbara Brackley, Betty Weaver, Joyce McCoy.

ORCHESTRA

IF SOME DAY, during your fourth period class you suddenly heard the sweet melodic strains of one of Brahms' waltzes or the thrilling chords of the Angelus Overture, it will probably be the Central High School Orchestra under the direction of Mr. John Duckwall going through one of its daily work-outs. Other pieces among the orchestra's repertoire are "Le Tambourin," "Prelude to the Mastersinger," and "Pomp and Chivalry."

Officers of the orchestra are: president, Fred Waltz; vice-president, Joe Barnes; and secretary, Betty Wallace.

The orchestra presented a concert in the Fall Festival. On March 25 the members traveled to Blaine School and presented a concert. The group also participated in "Musical Moods." The orchestra presented a spring concert and played in the May Music Festival at Ball State Teachers College.

THE BAND

THE MEMBERS of the Central High School Band, who are seen at all of our big sporting events clad in their colorful purple and white uniforms, have played on assembly tour at Eaton, Albany, and Hartford City this year. The tours were organized by Mr. Duckwall and were well-received in all places.

The band is also more or less a business organization. The officers are Harold Taylor, president, and Rosalene Mills, vice-president.

The clarinet trio, a well known feature of the band, is composed of Richard Babcock, Gene Arnold, and Jeanne Shaffer.

LIBRARY PAGES

DOING six or seven things at once and taking some thirteen thousand steps during the forty minutes in one period, delivering attendance slips to study halls, the library pages are indispensable to the proper functioning of Central's library.

Sponsored by Mrs. Dalby, the organization is not social in nature, but has a few social meetings during the year. For their loyal assistance the pages receive one-half credit each semester.

COACH WALTER FISHER, in fifteen years coaching at Central, has consistently turned out a winning football team, of which every Central fan has a right to be proud.

Ettore "Eddie" Antonini, helper of Coach Fisher, was a state-wide winning high school player and also a sensational player at Indiana University with an All-American title. Antonini has done wonderful work in his five years at Central.

SEASON WRITE-UP

Out of eleven years as a member of the North Central Conference, Central's football team has taken the title five times. Two of these championships were won in a row, which gives the Muncie team the distinction of being the only team in the state which has ever kept the title for two consecutive years.

Although they started this season with a few losses, the Bearcats wound up with a mighty victory. Starting the season with Central of Fort Wayne, the Bearcats lost by a score of 13-12. The next week the Bearcats traveled to Anderson and came out on top with a score of 7-0.

The third game was with the Kokomo Wildcats, to settle a dispute that has been going on for years, dating from 1939, when the Wildcats ran down the Bearcats by a score of 39-0 on their own field. The following year Kokomo came here and the Bearcats came out on top with a victory of 40-0. This year Muncie traveled back to Kokomo and ended up with a score of 0-0, after a hard battle.

WALTER LUNSFORD (top left): Captain. Was one of Muncie's outstanding ends and proved to be the deciding factor in many of our toughest games.

BILL DEVIRS: One of Muncie's fleet-footed halfbacks.

DON METTLER: Trustworthy, dependable, and a real team man.

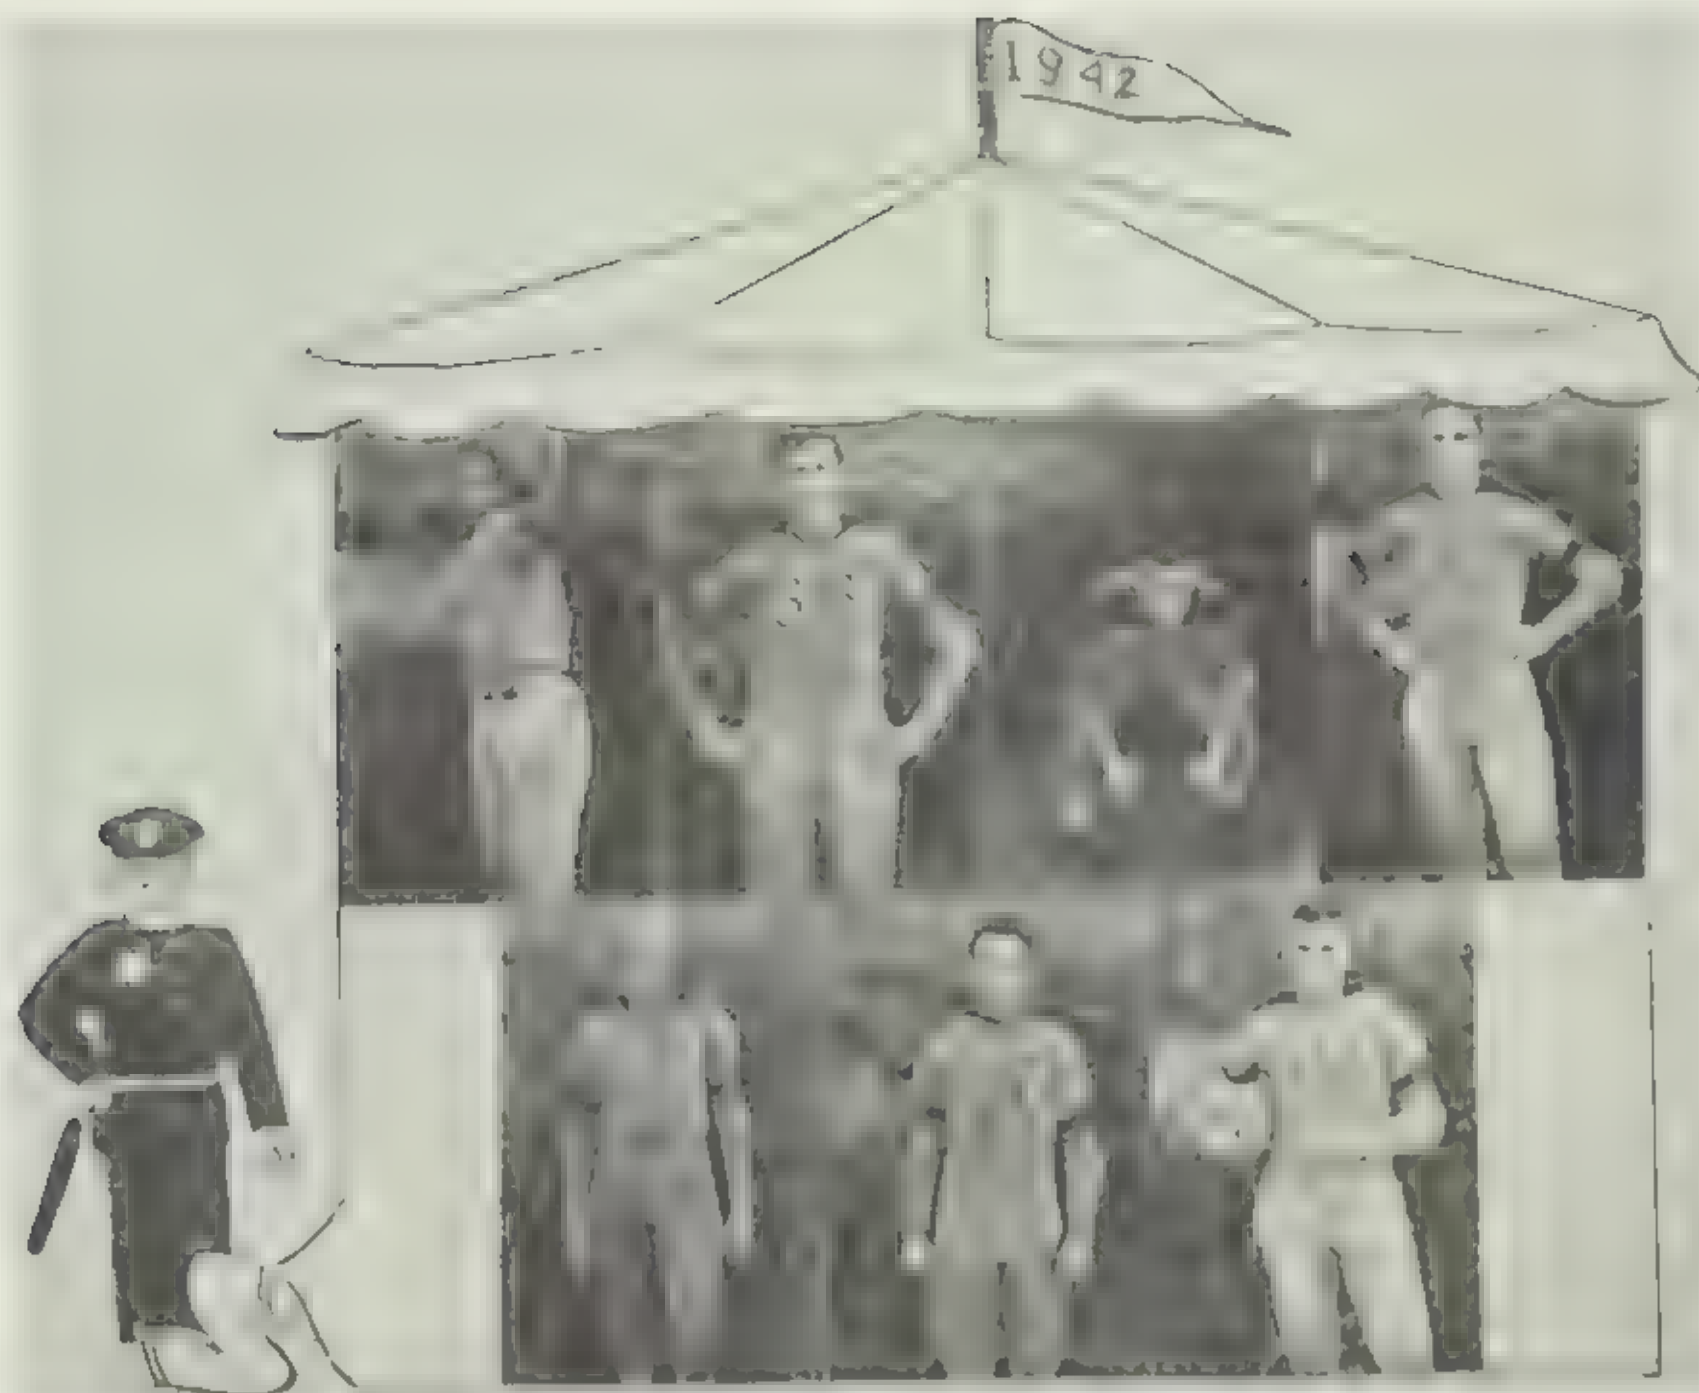

WILLIAM McLAUGHLIN: Known as "Gabby" and "The man to back it up." He was every ounce a football player who gave and asked no quarter.

ALAN HODGE: Always a most dependable and good player.

WILLIAM DEARINGER: One of Muncie's greatest tackles of all times. A tower of strength and determination.

RICHARD VALANDINGHAM. Will long be remembered as one of Muncie's fast, deceptive running men and a full-fledged halfback.

CLIFFORD CARPENTER: Senior center. A very flashy man when the going was rough.

CHESTER "CHUBBY" EVANS (top left): Was one of Muncie's greatest blocking backs. The great job of blocking that he did so successfully made it possible for the Bearcats to make those long, successful, and sensational runs.

RICHARD FOX: Big and rugged. Could tear an opposing man apart. Dick has great possibilities for future development.

JACK SHAFFER: Muncie's utility man. Played halfback until he was needed more at end. A grand performer.

LESTER CARTER: Fast and dependable. A big cog in Muncie's fine line of 1941.

FRANK HERSHEY: Manager and player. His attitude was the winning spirit that helped push the Bearcats forward.

WARREN HARRISON: Game and courageous but a tough-luck player who received many injuries.

BILL FARRELL: Big, congenial, a fine football player, and a real gentleman. Played regular guard.

BASKETBALL

COACH MEL WILSON (top), who took over the Bearcats during the illness of Kemmer, was given the nod when Kemmer moved to the Trades School. He took his first bus ride with the 'Cats January 23, to Anderson. In finishing out the season, he guided the Cats to three victories.

Wilson came to Central from Blaine Junior High, where he had coached for five years. Before taking his post at Blaine, he was graduated from Ball State, where he played three years on the Cardinal varsity.

COACH HARRY KEMMER (left), came to Central two years ago from Daytona Beach, Florida. In the two years he has been with us, he has made scores of friends, and started building a Bearcat team that in the next two seasons should, and will, go far.

In 1927-28 Mr. Kemmer held down the All-Western Conference backguard position, playing for Purdue University. 1939 saw him coach his Daytona Beach squad to the Florida State Championship.

When necessity called, Mr. Kemmer gave up the game he loved to do his part for national defense as an instructor at the trade school.

COACH MARVIN DICK (right), assistant basketball coach, completed his fourth year at this post. Coach Dick, along with Wilson, starred on the Ball State quintet. Dick is to be complimented for his grand job with the Kittens. In all four years he has led them to a good percentage of wins and developed some "Bearcat greats."

BUD TRAURING received a Bearcat "Yell" suit when Alvin Yerckes, popular Central yell leader, decided somebody had better do something about the Jap situation and joined the Navy. Bud stepped easily into Alvin's shoes as a true Bearcat pep-builder.

NORMAN "BECKY" BECK, veteran Bearcat yell leader, should be labeled "Pep" Captain, as for two years he has led the Bearcat backers in letting the 'Cats know they have backing.

BASKETBALL

THEIR LINE-UP cut into ribbons by graduation, the Bearcats claimed only two seniors this season. Coach Harry Kemmer pieced together what little material he had for the long hard road of the Bearcat schedule. Giving the boys all the benefit of his experience, he went to work building a team for the next two years, and one that began to shape up near the end of the season. The jinx rode the Bearcats on most of their schedules, only hopping off long enough to allow them a few victories.

When duty called, Coach Kemmer left his Bearcats and his game to take up national defense work at the trade school. This left the 'Cats to finish the season in the new and capable hands of Mel Wilson. Coach Wilson rang up two more wins in the last few games, before being turned back by a high-powered Burrus crew in the sectionals.

Tom Sample, Bearcat nursemaid, and Bert Teal stuck by the cats like glue, issuing equipment, tape, and encouragement to them all the time. The importance of these boys should not be underestimated.

Charles "Billy" Comer, senior forward, is truly a Bearcat great and was this year's co-captain. Bill played for Marvin Dick his first year in Central. Teaming with Bob Hoover, he led the kittens to an impressive number of wins. In the last two years, Bill has played varsity ball, holding down a place on the first five. Bill was sent to forward from guard, where he improved from last year. He was rated fifth on the North Central conference.

Walter "Jake" Lunsford, senior forward, was co captain with Comer. Jake was a true athlete, having the spirit and love for sports. Aggressiveness was his main characteristic in basketball. He was in the middle of every play, going high in the air on both bankboards, never giving up. With his uncanny eye for the basket, Jake placed himself second on the North Central scoring.

Jim Covalt, junior forward, has been with the Bearcats for two years. Jim hails from McKinley, where he played center for the Bulldogs. Pivot shots are Jim's dish and should label him "serious threat" to Bearcat foes next year.

Bob Phillips, junior forward, came to the 'Cats about midway in the season, having been discovered while playing intramural basketball. Traveling up the ladder fast, Bob saw a great deal of action in the latter part of the season. Watch his Bearcat spirit next year.

Bob Brees, junior guard, is all that his name implies. Yes, Bob has a "Breezy" way with his basketball, handling the pellet with a smooth, graceful technique. Bob was promoted to the first team late in the season, and will prove his ability against the Bearcat foes in the next two years.

Sam Grimes, lanky junior center, displayed a brand of ball that moved him up the ladder to a varsity reserve. With Sam's personality, height, and bankboard ability, he'll be one boy for the enemy scouts to watch next season.

Dick Odle, sophomore guard, reminds us of little Ken Tweedy in his slippery brand of basketball! Dick proved to be one of the main "plug" in the great Bearcat machine. In the next two years, more "horse" power to you, Dick!

Ken Quire, sophomore guard, is "the man with the basket-eye," who hits from anywhere on the court. Ken started the season on the Kitten squad, but developed and was promoted to the 'Cats. Taking advantage of this chance, Ken rapidly became a real Bearcat.

Dale Nuward, sophomore center, showed one of the finest sprits this year. Ahead or behind it was always, "Come on, gang, let's fight!" with Dale. Although not a regular starter, Dale saw quite a bit of action, and with his height and bankboard ability should be high in the bidding for a regular berth next year.

Ken Kimberlin, sophomore center, is developing into a Bearcat "star." Active in all sports, Ken makes his stand in basketball under the basket, both on offense and defense. He was one of the three sophomores to start with the 'Cats, and in the next two years 'Bearcat fies, beware."

Jack Snyder, sophomore guard, closely follows Lunsford with his athletic ability. Although only a sophomore, Jack was in the middle of varsity sports all year around with his basket-eye and Bearcat spirit. Jack will be well worth watching in the next two years.

Although he did not see much action during the past season, Dick Anderson, sophomore, made a good showing in both forward and center positions. With his ability and with the old Bearcat "Fight! Fight!" spirit behind him, Dick should make a name for himself in basketball.

Underclassmen on the team are: Bill Bales, John Brickley, Lester Novick, and Joe Tyrrell.

GOLF

A POPULAR but little recognized sport at Central is golf, which is coached by Mel Wilson. As always, the players turning out for the sport this year performed well, to uphold our standard. On the whole, a successful and interesting season was enjoyed by the team.

The team was composed of the following boys: Buddy Howard, Bob Qualkinbush, Benny Greenlee, Ferrell Carmichael, and Bob Purtlebaugh.

The first game was played at Anderson and the team participated in the North Central Conference at Marion.

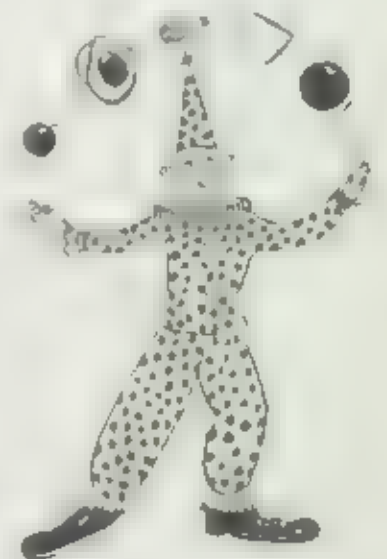

INTRAMURAL BASKETBALL

THE CHAMPION of intramural basketball this year was the Business Education team. During the season the Business Education team and the Math Club team each won four games out of six for the percentage of .667. The Choir team had a percentage of .500 and the Band a percentage of .167.

The final game was played between the Choir and the Business Education teams. The Business Education won the game and the championship by a score of 35 to 22. OCTOBER 29

A professional group stopped at the big top to show us how it should be done. "Uncle Tom's Cabin" was presented by a marionette troupe.

OCTOBER 31

A gala celebration, put on by the juniors. The Masquerade Ball was a definite success.

The scene changed to a gymnasium where the basketball game dropped a log on to Worcester in the opening basketball game. Head.

NOVEMBER 27

All evening long we had a black time and a delicious turkey dinner.

True to form, the dramatic section of our troupe gave a superb performance of "Stage Door." All the performers were equally colossal.

The senior performers had a mock election today, which disclosed the following:

Best actress, Mary Ellen Shockley.
Class giggler, Jane Bales.
Class pest, Leon Plank.
Class shenk, Bob Trueting.

After the afternoon performance, the ring-leaders of C. H. S. and B. H. S. celebrated at Gibson's Ice Arena. There were a few mishaps but they were quickly turned out some more.

"At the Means" was given this evening. It was the grandest crowd of officers, gentlemen and lady aid, and members.

The boss felt good and let us have a week off. Whoopie! We were going to get some much-needed rest, but so-o-o-o many things happened, we just couldn't get around to it. Some of the gang went to New Orleans and had a perfectly perfect trip.

Imparting facts were disclosed as troupe members contributed to the annual G. S. C. fund for the law.

Some star performers belonging to the social science group got a day off to go to South Bend for the Indiana Student Forum meeting. Lucky kids.

All the women backers of our show were entertained at a tea. Sugar was rationed to one lump a cup!

The partial governing body of our troupe put on May Day Maneuvers at the Field House. It was no Jimmie James — but, with the situation — oh well, you know what we mean.

GET OUT YOUR BOWTIEFS and old-fashioned bustles, dust off your tin-types and join the parade down to the football park of 1899 to see the fighters for the Purple and White of long ago.

These were the skillful fighters whom the student body loyally supported. In now outlandish toggery they performed daringly on the sawdust to make the tradition that has been handed down through the years: "Bearcats always fight!"

Members of the team, top row: tackle, E. Tuhey; guard, William Hoey; coach, Dr. H. R. Spickerman; tackle, Dr. Charles Jump; back, Charles Gill; quarterback, Harry White.
